Chiquitita

Sinéad O'connor

Chiquitita, tell me what's wrong You're enchained by your own sorrow In your eyes there is no hope for tomorrow How I hate to see you like this There is no way you can deny it, I know I can see that you're oh so sad, so quiet Chiquitita, you and I know How the heartaches come and they go and the scars they're leaving You'll be dancing once again and the pain will end You will have no time for grieving Chiquitita, you and I cry But the sun is still in the sky and shining above you Let me hear you sing once more like you did before Sing a new song, Chiquitita Try once more like you did before Sing a new song, Chiquitita Try once more like you did before Sing a new song, Chiquitita
