

Curly Locks

Sinéad O'connor

Curly Locks, now that I'm a dreadlocks
Your mama say you shouldn't play with me
But it's alright
Curly Locks, now that I'm a dreadlocks
Your mama say you shouldn't play with me

The sun is shining, the breeze is a-blowing, too
And all I've got inside me is lotsa love for you, it's true

Curly Locks, now that I'm a dreadlocks
Your mama say you shouldn't play with me
But it's alright
Curly Locks, now that I'm a dreadlocks
Your mama say you shouldn't play with me

She's a ???head, she's a walking-dead
I'm a living woman who's got a lots of plans it's true

Curly Locks, now that I'm a dreadlocks
Your mama say you shouldn't play with me
But it's alright
Curly Locks, now that I'm a dreadlocks
Your mama say you shouldn't play with me

Thank you, thank you for the letter
You made me feel better
Tee tah toe
That's the way it's gonna go, now

Curly Locks, two roads before you
Which one will be your choice
I really like to know, yeah
Curly Locks, your father is a poacher
And he don't want you dealing with me

Thank you, thank you for the letter
You made me feel better
Tee tah toe
That's the way it's gonna go, now

Curly Locks, two roads before you
Which one will be your choice
I really like to know, yeah
Curly Locks, your father is a poacher
And he don't want you dealing with me
