

Heroine

Sinéad O'connor

A song Sinead did together with
U2 "the Edge" for the movie called
"Captive"
Afraid, but you will not run
Alone, thy will be done
confessed, but you still feel the shame
Bring me into your arms again
Heroine
Heroine
Heroine
Heroine
touch these eyes with a broken smile
touch my mouth with your thorough blight
with my heart feel my shame
Lead me into rest again
Heroine
Heroine
Heroine
Heroine
The night is long,
but the day will come
with promises were the chosen one
Soak the sea
Sweet tastering
fall tonight into my arms again
Heroine
Heroine
Heroine
Heroine
The night is long
but the day will come
with promises were the chosen one
Soak the sea
Sweet tastering
fall the night into the light of day
