

I Had a Baby

Sinéad O'connor

I had a baby and he looks just like me
A bald headed baby, he's been the makings of me
His eyes are so mean, just like you
But you haven't seen him
And I don't know what to tell him
I don't know what to tell him!

I had a thing with a man and he wasn't mine to be with
I woke up one green day with him up inside me, hey
That did excited me, and I was crazy
I was always crazy!

But I had a baby, so I'm never sorry!
He's been the makings of me
And when he asks, I'll tell him
That you love him, but you can't be his
And when he says why
Why I said, don't know why
Because I don't know why!

You should suffer instead of me
Over shit that's because of me
I wish it wasn't so crazy
Broke my mind tell this time

But I had a baby, so beautifully
He's been the makings of me

I had a fling with a man who wasn't mine to be with
I woke up one green day with him up inside me, hey
That did excited me, and I was crazy
I was always crazy!
