

Jealous

Sinéad O'connor

You're jealous
You just can't stand to see me get along without you
Like I do, you told me to
Now you're jealous
You don't know how hard it was to be alone without you
And wanting you, like I do

I would have stayed if you'd wanted
I would have been willing
But you said I treat you so badly
I can't be forgiven
You know I would have done anything
To make it through with you
But I don't deserve to be lonely
Just cuz you say I do

You're jealous
You don't know how hard it is to be a woman in love with you
When you're so cruel, and so jealous
You don't think about anybody's feelings but your own
Are you coming home?

I would have stayed if you'd wanted
Would have been willing
But you said I treat you so badly
I can't be forgiven
You know I would have done anything
To make it through with you
But I don't deserve to be lonely
Just cuz you say I do

So if you're gonna go you've gotta go and if you're stayin stay
Cuz I can't take the pain you keep leavin when you go away
If you're gonna go you've gotta go and if you're stayin stay
Cuz I can't take the pain you keep leavin when you go away

I don't deserve to be lonely

I don't deserve to cry

I don't deserve to be lonely
