

Love Letters

Sinéad O'connor

Love letters straight
from you heart
Keep us so near
while apart
I'm not alone in the night
When I can have all the love
that you write
I memorize every line
And I kiss the name
that you sign
And darling then
I read again
right from the start
Love letters straight
from your heart
I memorize every line
And I kiss the name
that you sign
And darling then
i read again
right from the start
Love letters straight
from your heart
