

My Love I Bring

Sinéad O'connor

My love I bring to you
My heart I sold to you
Just say I must give it to you
I want you to know that it's true
Mankind no uses
Think of love and nothing else
There is too much corruption
In more nation and nation
Just said I must deliver this message
Accept it and always be blessed.

People you must come to realize
Without love there is no communication

My love I bring to you
My heart I sold too.
Just say I must give it to you
I want you to know that it's true

My love I bring to you
My heart and soul too

[Crying croon]

Mankind no uses
Think of love and nothing else

My love I bring to you
My heart and soul too

My love I bring to you
My love I bring to you

My heart and soul too
My heart and soul too

My love I bring to you
