Secret Love

Sinéad O'connor

Once I had a secret love That lived within the heart of me All too soon my secret love Became impatient to be free So I told a friendly star The way that dreamers often do Just how wonderful you are And why I'm so in love with you Now I shout it from the highest hill Even told the golden daffodils At last my heart's an open door And my secret love's no secret anymore Now I shout it from the highest hill I Even told the golden daffodils And lost my heart's an open door And my secret love's no secret My secret love's no secret My secret love's no secret anymore
