

# The Emperor's New Clothes

Sinéad O'connor

1. It seems years since you held the baby while I wrecked the bedroom  
You said it was dangerous after Sunday and I knew you loved me  
He thinks I just became famous and that's what messed me up but he's wrong

How could I possibly know what I want when I was only twenty-one?  
There's millions of people to offer advice and say how I should be  
But they're twisted and they will never be  
Any influence on me but you will always be  
You will always be

R: If I treated you mean  
I really didn't mean to  
But you know how it is and how a pregnancy can change you

2. I see plenty of clothes that I like but I won't go anywhere nice for a while  
All I want to do is just sit here and write it all down and rest for a while  
I can't bear to be in another city one where you are not  
I would return to nothing without you if I'm your girlfriend or not

R: Maybe I was mean  
But I really don't think so  
You asked if I'm scared and I said so

3. Everyone can see what's going on  
They laugh 'cause they know they're untouchable not because what I said was wrong  
Whatever it may bring I will live by my own policies  
I will sleep with a clear conscience I will sleep in peace

R: Maybe I was mean  
But I really don't think so  
You asked for the truth and I told you

\*: Through their own words  
They will be exposed  
They've got a severe case of  
The emperor's new clothes  
The emperor's new clothes  
The emperor's new clothes
