

## Nowhere for No One

Sinergy

Chaos is my wake up call  
Another day of suffering  
Waste time staring at the wall  
Nowhere to go, no one to see

So many voices are stalking my mind  
I can't sleep because they're screaming at me  
I can feel eyes that are staring at me  
Even though there is nobody here

I'm afraid to go outside  
I don't want to face reality  
I'm so paranoid inside  
It seems like I'll forever be

I'm terrified, dead inside  
If I'm dreaming, someone wake me  
They've haunted me secretly, all my life  
When I'm alone, uncontrolled  
Madness leads my every movement  
It's killing me, can't you see? I'm insane

Hate myself my everyday  
I don't want to live to see the night  
If my thoughts don't kill me first  
I'm doing to end it with a knife

So many voices are stalking my mind  
I can't sleep because they're screaming at me  
I can feel eyes that are staring at me  
Even though there is nobody here

I'm terrified, dead inside  
If I'm dreaming, someone wake me  
They've haunted me secretly, all my life  
When I'm alone, uncontrolled  
Madness leads my every movement  
It's killing me, can't you see? I'm insane
