Send "Addicted To When You're Gone" Ringtone to your Cell  
I'm waking up, waking up, to all the games that you've played  
I'm taking up, taking up, the thought of leaving this place  
Of leaving this place (yeahhhhhhh)

Can't live in all the stupid lies  
And all the people I despise  
Cause there's very little room  
For the ones that take me higher

And I, I'm addicted to when you're gone  
(when you're gone)  
So just listen up closely,  
If you think that you have me all figured out  
Well you're wrong (Well you're wrong)  
I'm addicted to when you're gone (you're gone)

There's not enough, not enough, time to find a reason  
Because things I love, are not enough for someone I believed in  
Someone I believed in (yeahhhhhhh)

See I could find somebody ?  
With open arms and open eyes  
With a bigger heart and the biggest ?  
Because I'm falling through the ice now.

And I, I'm addicted to when you're gone  
(when you're gone)  
So just listen up closely,  
If you think that you have me all figured out  
Well you're wrong (Well you're wrong)  
I'm addicted to when you're gone (you're gone)

I'm so run down, feeling strung out  
It's like I'm losing what's left of me  
I feel anguish, almost faceless  
I need to take what I can and leave.

And I, I'm addicted to when you're gone  
(when you're gone)  
So just listen up closely,  
If you think that you have me all figured out  
Well you're wrong (Well you're wrong)  
I'm addicted to when you're gone (you're gone)

And I, I'm addicted to when you're gone  
(when you're gone)  
So just listen up closely,  
If you think that you have me all figured out  
Well you're wrong (Well you're wrong)  
I'm addicted to when you're gone (you're gone)
