

# Only One

Sing It Loud

So we take...  
A step into the light  
And I find a urge to fight for you  
Cause I know...  
Your colors seem to show  
And I think I could make them glow

As I sit  
With this pen  
I will try to pretend  
Write about  
How I'm keeping my cool  
Cause I'm the one for you

I don't wanna wait forever  
I know one day we will  
Feel together  
I'm the only one you'll ever need

Every week  
I drink myself to sleep  
To have drunken dreams of you  
And it's true  
I never left a clue  
That I'm so in love with you

And it sounds unprepared  
Cause I'm a little bit scared  
But I think I'm ready to prove  
That I'm the one for you

I don't wanna wait forever  
I know one day we will  
Feel together  
I'm the only one you'll ever need

Woah oh a oh  
Woah oh a oh  
I'm the only one that you'll ever need

Woah oh a oh  
Woah oh a oh  
I'm the only one that you'll ever need

Woah oh a oh  
Woah oh a oh  
I'm the only one that you'll ever need  
(WOOOAAAAHHHHH)

Dadadum dadadum dadadum

It's safe to say  
That you and me  
In the end  
Sometimes you tell me  
You want to be my friend  
I've been telling you telling you

I just want to tell you  
I'm the one for you

I don't wanna wait forever  
I know one day we will  
Feel together  
I'm the only one you'll ever need

Woah oh a oh  
Woah oh a oh  
I'm the only one that you'll ever need

Woah oh a oh  
Woah oh a oh  
I'm the only one that you'll ever need
