Threshold of desire Frequency of death I see Prospect to the future A mirror of insanity

Bleeding Bleeding, bleeding ecstacy Resisting, resist the purity

Fake redemption

Threshold of the future
A vision which is still unknown
Random nightmares
They've driven me to lunacy

Bleeding

Fake redemption
Shameless pride
Fake redemption
Condemned to hide

Threshold of desire Frequency of death I see Prospect to the future A mirror of insanity

Threshold of the future

Bleeding
Bleeding, bleeding ecstacy
Resisting, resist the purity
