

# Reviving The Dead

Sinister

Deep inside a malignant world  
A fight is starting to merge  
Two symbols, two nations  
Divided yet they are one!  
Balanced between fear and  
Pride, a quest for flesh

I've seen it all  
Genocide and chaos  
Aggressive impact  
Tools of separation

I've seen it all  
The falcon of desire  
Ethnic horror  
Tools of separation

Reviving the dead  
Confined by virtue

This pain is haunting me  
Nightmares are hunting me  
This is no way of life  
I can't sustain this hell  
One symbol, one nation  
Opressed yet they are one!  
Balancing between hope  
And despair, lack of reality

I've seen it all  
Genocide and chaos  
Aggressive impact  
Tools of separation

I've seen it all  
The falcon of desire  
Ethnic horror  
Tools of separation

Reviving the dead  
Confined by virtue  
Reviving the dead

This pain is haunting me  
Nightmares are hunting me  
This is no way of life  
Opressed... yet they are one!

Ethnic horror  
Tools of separation
