

# The Carnage Ending

Sinister

Bodies - rotten - carnal

Beaten on command  
Succumbed under pressure  
Pile of limbs  
Assumed dead

A visceral mass  
Organs shredded  
Lifeless objects  
The carnage revealed

The weight of death  
Immense decay  
A brutal stench  
The burden of a massacre

Cauterized bodies  
Total annihilation  
Millions of dead  
The work completed

Bodies - beaten on command  
Rotten - a visceral mass  
Carnal - the weight of the dead  
Carnage - cauterized bodies
