

# The Dome of Pleasure

Sinister

Discrepancy of death  
In the Dome of Pleasure  
Bloodhound instinct  
A killers breath

A swirl of organs  
Gutted from the body  
Murderers conflict  
A forlorn massacre

No aim for life  
But comprehension for mutiny  
A game of death  
A pleasure to survive

Caged mutants  
Spreading limbs  
Failure of evolution  
Overcome its disease

The Dome means salvation  
No acceptance for survival-mode  
in all their shrines  
This is pleasure

"The Dome of Pleasure  
The Dome of pleasure  
Be arranged

The Dome of Pleasure  
The Dome of pleasure  
Deranged"
