

## The Sculpture of Insanity

Sinister

The sculpture of obsession  
Determined to reveal  
The neglected worship  
of a so-called god

The sculpture of delusion  
The carnal saints must die  
to work on progress  
for the statue of real hate

Sculpture of cutted flesh  
Made to obey the sinners  
Mandatory madness  
for every human brain

The sculpture of delusion  
increases the filthy mind  
with hate towards the holy  
and fear of Thy Father

The sculpture of hate  
created by mincers  
Flesh becomes art  
Mutant skin decoration

The sculpture of insanity  
created by butchers  
A feast of limbs and bones  
taken from the morgue

"Sculpture of insanity  
Sculpture of cut flesh  
Sculpture of insanity  
A sculpture of rotten mash"
