

## Concrete Jungle

Sinner

Sinner, Susemihl / Jackson  
In the cold and nasty city  
Where men are fighting to survive  
People kill without a cause  
In the backstreets of the night  
Nobody cares if you live or die  
Out in the wilds  
Don't turn around - in the concrete jungle  
Don't turn around - boy you'll be in big trouble  
There's a calm before the storm  
But there's danger everywhere  
Look to the left and to the right  
You're a target to the enemy
