

## Fist To Face

Sinner

Watch me go  
Under fire  
Got no break  
There's just so much that I can take  
Hands in pocket  
Clench my fist  
Just one hit I never missed  
To cure my desire  
And heal my disgrace  
Put fuel in the fire  
Fist to face - fist to face  
Out all night  
I'm on a roll  
Loaded and ready to explode  
Won't stop running  
Can't cool down  
You know came to track you down  
To cure my desire  
And heal my disgrace  
Put fuel in the fire  
Fist to face - fist to face  
Fist to face - fist to face  
Look out  
I gave it all  
Just for the take  
Got no more promises left to break  
Souls for sale  
Money to burn  
I wonder if I'll ever learn  
To cure my desire  
And heal my disgrace  
Put fuel in the fire  
Fist to face - fist to face  
Fist to face  
Fist to face  
Fist to face
