Higher Level Of Violence

She hurts me deadly and I'm gonna pay the price My neck screams back in pain And it really doesn't matter that she's starting to play games Well I'm just playing the game

It's a mind game going on So innocent And gone is her desire The final human silence A her higher level of violence

Eye to eye, we see we entertained the truth But there are no more reasons Well her heart left me a long long time ago She enjoys my bleeding feelings

Sinner
