

One Last Look

Sinner

One Last Look

Some play on the radio
Oh I got alone some feelling right
...

Mabe I run but no one tells me why
It's feel so strange
Strange inside
...
Oh I feell I knew so well

But seems you let me pay

I wan't tell you my life is ...
Oh oh oo oh...
One last sing a red
One last blow of wind
One last look
One last shine of the sun
...

One last look
One last look
...
Hey give me one last look in your face
I'm wallking trough a bow in red
...
Oh yeah
...
I'm thinking in days gone bye
I'm going trough photographs

Mine by could you dance again
I need you so mad
And im seems so sad
I feel the bite
The bite of my heart
Oh oh oo Oh...
One last sing of red
One last blow of wind
One last look
One last shine of the sun
One last look
Oh
Gimme one last look
