

## The end of sanctuary

Sinner

i'm trapped in this silence  
i'm feeling so cold  
no prayer and no future  
no warning - no hope  
there is no tomorrow  
and i can't see the sun  
i light up this candle  
and i'm waiting for the sacred son  
the bond of holy  
living at the end of sanctuary  
i never thought that tale's reality  
you won't believe, what did i see?  
the end of sanctuary  
the world will run scared  
no one is prepared  
it comes out of the blue  
and destroy the sacred world  
the bond of holy  
living at the end of sanctuary  
i never thought that tale's reality  
you won't believe, what did i see?  
the end of sanctuary
