

Don't Take Me Back

Siobhán Donaghy

Don't you look at me that way
Because it's true what they say
I would only be the one
The one that's gonna stray

I'll take you to the cleaners
I'll empty out your soul
So baby when I go

Don't take me back
I'll ruin everything
And keep you sad
Cause if you do
You'll be no good for me
I'm no good for you

Now this is where it ends
The pain and the fights and the crying
And it should fill me with shame
I'm the only one to blame

And I'm a great believer
Regrets will make us old
So baby when I go

Don't take me back
I'll ruin everything
And keep you sad
Cause if you do
You'll be no good for me
I'm no good for you

Don't take me back
I'll ruin everything
And keep you sad
Cause if you do
You'll be no good for me
I'm no good for you

I've figured out what this is
I've trampled on your wishes
You dreams, they never mattered
I never cared at all
I won't be there when you need me
I'm selfish and I'm greedy
I'll only let you down

Don't take me back
I'll ruin everything
And keep you sad
Cause if you do
You'll be no good for me
I'm no good for you

I'm no good for you
