

# El Día De Los Muertos

Siouxsie and the Banshees

It's all soul's day  
I hear you say  
It's all soul's day  
And you've come to pray  
For the lost ones  
The unadorned ones here today

El Dia de Los Muertos  
El Dia de Los Muertos  
Bailamos, bailamos  
El santo y yo

Kiss the bride  
Dance with me  
Come rattle these bones  
Come and shake my tree  
Embrace me--irreverently  
Now in marigolds  
Shower me

There is more time than life  
One never dies twice  
There is more time than life  
One never dies twice

Wearing wet suits sewn in the underworlds  
Death comes shining  
In a thousand bright colours  
And music out of this world  
Serenates to a bony twirl

Me lleva el diablo  
La muerte va de viaje  
Esta es musica del otro mundo

Buenos noches y adios  
Hasta luego mis amigos  
See you in heaven  
See you in hell  
All will be level all will be well

Bailamos, bailamos  
El santo y yo

Me lleva el diablo  
la muerte va de viaje  
Esta es musica del otro mundo
