

## Nicotine Stain

Siouxsie and the Banshees

It's just a habit  
When I reach to the packet  
For my last cigarette  
Until the day breaks  
And then my hand shakes  
But it it's just driving me insane  
When the smoke gets in my brain  
I can't resist it

Wallow in that ash bath  
Soaking up the fumes  
And see the nicotine stain  
Start to spread

I'm so congested  
Cos north, south, east and west  
Catarrh rests on my chest  
Congealed and twisted  
Cough up and shift it  
But I can feel my lungs collapse  
Sinking deep into my lap  
I'm so useless

Wallow in that ash bath  
Soaking up the fumes  
And see the nicotine stain  
Start to spread

I'm so useful  
If you don't want to fight  
Just give your foe a fright  
Say you'll drop me  
On every country  
See all will be stone dead  
When the nicotine stain spreads  
Just light me

Wallow in that ash bath  
Soaking up the fumes  
And see the nicotine stain  
Start to spread
