

One Mile Below

Siouxsie

I gotta know
I gotta know
How far below - Can I go?
Double zero - Double 0 - 0 - 0
Less than zero
Double- 0

One mile below - One mile below
One mile below

Tell me when - Tell me when
Is it time to ascend to the top?
When you get so low
Only one way to go
Up up up up to the top

Up up up up - Double up up up up
Up up up up to the top
Up up up up - Double up up up up
Up up up up to the top

You and I know - You and I know
Sometimes you lose
When you win
Double zero - Double 0 - 0 - 0
Sometimes you win
When you lose

One mile below - One mile below
One mile below

Up up up up - Double up up up up
Up up up up - Double up up up up
Up up up up to the top
