

Swap Meets Louie

Sir Mix-A-Lot

"Hey, homeys!"
"Who me?"
"Yeah, that's right. You the fly hustler."
"Ya'll still sellin' that fake Louie, huh?"
"Hey! Don't be turnin' the highside up in here. You don't even got the dope..."
"Oh, baby, I don't need the highside, just give me some khaki's and I'm straight."
"Tryin' dis me, ole raggy rooty-poot runned up gangsta? Who you think you are?
M.C. Hammer? You can't 'ford this Louis Vuitton!"
"What you mean I can't afford it. Why would I wanna afford some old fake Louie, baby
if that's real Louie, I'm Tom Cruise."
"Excuse me, I'd like to buy some."
"You don't know jack about this Louie. Take your sorry self over booth number 2 for
the crack pipe."
"Yeah, awreit. I got your crack pipe right here baby."

Wooah, Louis Vuitton never made a sweatsuit
But you're swearin' up and down, that you got the Louie boots
So you roll to the swap meet, girlfriend buttless
Rip phantom top on your seven six Cutlass
In the shop Louis Vee is what you seek
Black Knight Cortez slippin' on your feet
You're saggin', droop like a bawla
Your girl starts walkin' towards the counter, so you call her
Ooh, this is on. Why don't you get this for me?
Everytime you hit the swap meet, it's gimme, gimme, gimme.
A little old lady in the back starts to creep, she's deep
Through cazelley's she peeks
Her name is Mary Pong and she's got it going on
Swap meet weed, with the swap meet thongs
Leather miniskirt with the oriental draw
Little Mary Pong is RAW
She says "I wanna make your girlfriend look good"
Start buying all your Louie in the hood
And your sprung, on the two for one
Fake Louie at the swap meet, son
Now you know brown Louie is played
But you're drunk and you just got paid
So you bought the gear, little Mary says "See ya"
Little did you know it was "Made in Korea?"

Swap Meet Louie, Swap Meet Louie
That's right, tell em homeys
Swap Meet Louie, Swap Meet Louie
Right here baby
Swap Meet Louie, Swap Meet Louie
What you need?
Swap Meet Louie, Swap Meet Louie
You don't know jack about this Louie

Victim number two, a rich young couple from Bellvue
Welcome to the swap meet, another dumb couple 'bout to get beat
Out came little Mary Pong, she had the big Louie Vee gear on

The couple got sprung and the wife want some
Louie Vee hat with the diamonds
Shes thinkin' she got that deal, 2 for 1 is a steal
The hat mighta had a L V on the back
But at the swap meet that ain't jack
But she bought it, cost about three hun
Mary Pong said you're the one
But when the girls Louie got wet she started complainin'
Baby girls Louie started fadin'
Now she's tryin' to take it back
But the swap meet don't play that
Cause when a customer tries to intimidate
Mary Pong pulls a .38
She ain't about to get bum rushed
She's strapped an' she's ready to bust
But at the swap meet you don't pay tax
They're movin' out fake Louie by the batch

Swap Meet Louie, clockin' lotsa dolla's
Swap Meet Louie, we all got gold
Swap Meet Louie, black silk jackets
Swap Meet Louie, rich flaunt clout
Swap Meet Louie, Swap Meet Louie
Swap Meet Louie, Swap Meet Louie

Me an' Attitude Adjuster stepped smooth at a swap meet
Buyin' much gear for the feet
When we spot Mary Pong with a blank face
Sellin' bootleg Mixalot tapes
The brother bought the tape and kept steppin'
Mary Pong starts lookin' for a weapon
I got a plan 'n' I'm about to use it
What's up with the bootleg music?
Mary Pong is about to get jacked
She had a stack of big bootleg racks
Me and Attitude creeped like snakes
Grabbed the tapes and the Louie and break
The whole swap meet went crazy
I'm sockin' more fools than Patrick Swayze
Toss a mess of fake Louie in the trunk
Hit the gas and the tach just sunk
Like that, I'm outta there
Swift brothers like to roll in pairs
So we jet, to the boulevard fast
Slingin' swap meet Louie for cash

Swap Meet Louie, Swap Meet Louie
That's right, tell em homeys
Swap Meet Louie, Swap Meet Louie
Right here baby
Swap Meet Louie, Swap Meet Louie
What you need?
Swap Meet Louie, Swap Meet Louie
You don't know jack about this Louie
