

# Ghost

Sir Sly

Go ahead and stand up straight  
straight against the wall  
why did I go for you?  
pick you up when you fall  
was I too drunk to say what I said to you  
was I too blind to see right through you

Ghost

you're a ghost  
you're a ghost  
you're a ghost  
you're a ghost

you flew out on a plane  
came crashing into the ocean  
and then you haunted me  
don't have a clue whats the motion  
so every now and then it feels so soothing  
when you float on a bit and move right though me

Ghost

you're a ghost  
you're a ghost  
you're a ghost  
you're a ghost

yeah

one, two, three, four

Get up save face  
find your way back to the grave  
or then go find your way back home

Get up save face  
find your way back to the grave  
you'll never find your way back home  
you're a ghost

Get up save face  
find your way back to the grave (you're a ghost)  
or then go find your way back home (you're a ghost)

Get up save face  
find your way back to the grave (you're a ghost)  
you'll never find your way back home (you're a ghost)  
you're a ghost

you're a ghost  
you're a ghost  
you're a ghost  
you're a ghost
