

You Haunt Me

Sir Sly

I'm selfish, never didn't think about anyone but myself
I'm careless, never did care about anyone else
You're fearless, never been afraid, don't start that now
Not helpless, never wanna help, then go to hell

Whiskey and wine
Night after night
You haunt me
Losing my mind
Set it on fire
You haunt me

I'm never gonna let you go-oh-oh
Oh oh oh
I'm never gonna let you go-oh-oh
I'm never gonna let you go-oh-oh

I'm aimless, heading toward nowhere at the speed of light
Still dreamless, now that you're gone I think I lost my fight
Your loose lip, tell me what you think about all last night
You're foolish, follow through a fool like its not that wide

Whiskey and rum
Blood on my tongue
You haunt me
Tonic and gin
Blood's getting thin
You haunt me

I'm never gonna let you go-oh-oh
Oh oh oh
I'm never gonna let you go-oh-oh
I'm never gonna let you go-oh-oh

Let me down easy now
Something else you'll write about again
Found my way on a plane
Things will never be the same again

Whiskey and rum
Blood on my tongue
You haunt me
Tonic and gin
Blood's getting thin
You haunt me

I'm never gonna let you go-oh-oh
Oh oh oh
I'm never gonna let you go-oh-oh

I'm never gonna gonna let you go
I'm never gonna gonna let you go

I'm never gonna let you go
