

You never wanna leave me be  
You never wanna run away from me, no  
Cause this love's got so much  
More to give to you, so

Until the night turns the lights down  
You might be scared, cause I'm that mothafuckin' [?]  
And the dreams begin to [?]  
But if it goes bom bom in the dark, I'll turn into a lover

I'm about to rip you down, turn you out  
Fuck your mind, [?]  
You ain't gonna have no doubts, what I'm about  
Catching her out, you know

I'm a monsta  
(I'm a playa what you gonna do) (3x)  
I'm a monsta  
(I'm a playa what you gonna do) (2x)  
(What you want girl I'll make you)

Never want to leave me baby  
It's a red light special get into it, don't mind the  
Noise, a little rampage for your love  
To show you you're the one, you know you've got to dig it, baby

If you're terrified of the feeling  
And your body can't stop shaking  
I'm the monster that gets your body  
And puts the math into the equation

Yeah

M (uh), O (yeah)  
N (yeah), S, (turn up)  
T, (turn up, A, (turn up woo!)
