

Round & Round

SisQó

Ladies
To the beat y'all
I just wanna do something good for y'all
Oh baby
Don't you feel baby, sing it one more time
(Old school, yup)

Let me check my watch, I know it's time
See I see sexy ladies, in here I
Don't know nobody else nobody else nobody else but me
That'll take you out now turn it out now So feel what I feel girl let this
When nobody gonna hold you down
Plenty love to go around
So all my ladies go round and round
(Round and round and round, hey)
I'mma take you all over town
Your heart should know by now
So all my ladies go round and round
(Round and round and round, say)

Round and round and round and round we go (x4)

Here I am girl, in the flesh right now (yup)
See you ain't got
