

The kill shot, hit me with the kill shot
The kill shot, hit me with the kill shot if
It was half a
Once she told me she would bring it down, and stay around
And when I lay it down (oooah, oooah)
You know I really want tear you out, and some of those sex sounds
And I really really really want to drown, in your

Ocean baby, you could
Be the enemy but I'm feeling baby, so gonna
Set it off, yeah (oooooh, skirr)
Jada Pinkett on a crazy, see (leggo)

I want to be a victim of your
Love, love, see
I want to be a victim of your
Love, love, see
I want to be a victim of your
Love, love, see
I want to be a victim of your
Love, love

I don't ever want to part ways
So take my name
Don't pull no games (oooah, oooah)
I know you're guilty in this thing
And you ain't innocent
And you got me treading, treading in your

Ocean baby, you could
Be the enemy but I'm feeling baby, so gonna
Set it off, yeah (oooooh, skirr)
Jada Pinkett on a crazy, see (leggo)

I want to be a victim of your
Love, love, see
I want to be a victim of your
Love, love, see
I want to be a victim of your
Love, love, see
I want to be a victim of your
Love, love
