

Without You

SisQó

Dru hill, pajam, without you, def soul

Im free to fly like a bird over the earth far away
Seeing where beauty's entailed places
Unveiled take me away when

When i envision your eyes you light up the sky
Holdin my dreams in a cry
Now i feel my hearts been revealed

Could never see myself without you
Don't leave me alone

Soaring from a valley so low to a mountain so high what a life

Exploring why your love never grows old
No hug is too tight, this is rite

I can do without material things
I can do without diamond rings
Girl i wont get by
Without u by my side
I need u in my life

Close Your Eyes
