

Better Off Alone

Sissel

Girl don't be sad
You know what youre missing
No reason to feel bad
He don't mean much with his kisses
Youre gonna make it through
You have always been surviving
Ive got faith in you
And I know youll get it going

But you cant go back
To what it never was
To repossess, what you never owned
But you can't go back
To what it never was
This is that time, this is that time
When youre better off alone

Girl don't you see
Theres nothing more to see there
Youve got a friend in me
And I will always be here
And you know it wont be long
Until its all behind you
You will meet someone
Someones bound to find you

But you can't go back
To what it never was
To repossess, what you never owned
But you can't go back
To what it never was
This is that time, this is that time
When youre better off alone

Even alone at night
You will be all right
Youre so strong you will get over him
And there will be times
That Ill expect these lies
Not to comfort but remind you

But you cant go back
