

All for You

Sister Hazel

Finally I figured out
But it took a long, long time
But now there's a turnabout
Maybe 'cause I'm trying

There's been times, I'm so confused
All my roads, They lead to you
I just can't turn and walk away

It's hard to say what it is I see in you
Wonder if I'll always be with you
But words can't say, And I can't do
Enough to prove,
It's all for you

I thought I'd seen it all
'Cause it's been a long, long time
But then we'll trip and fall
Wondering if I'm blind

Rain comes pouring down
Falling from blue skies
Words without a sound
Coming from your eyes

Finally I figured out
But it took a long, long time
But now there's a turnabout
Maybe cause I'm trying

It's hard to say
It's hard to say
It's all for you
