

I'll go away  
I'll go on my wordless way  
Don't say anything  
Say nothing, just leave me.

I've been merely, an actor  
In your painful play.  
But I feel too much to stay.  
Just cast me out.

You can have the pictures  
You can have the jacked up car.  
And take the book on meditation  
I'll just take home what I brought,

My, big painted velvet Elvis...

Well take it away  
Take it all away  
Don't leave anything  
Leave nothing, except me

'cause I've been sadly misinformed  
I thought it mattered a little more than this  
I wish I was a thousand miles away...

Well I'm frozen here  
Caged in silence  
It's better that I  
Regret these words  
Than to stand aside  
And watch your tragic  
Storyline unfold...  
Just let me go

Well you took my heart  
And you took my soul  
And you used me,  
I've had plenty of that.  
It gets harder and harder  
And farther and farther  
From what I need for me.
