

## Starfish

Sister Hazel

I saw a starfish on the ground  
He was half buried in the sand  
Just so out of place and ahh  
He was a long, long way from home

I was a long, long way from home  
And so we talked a little while  
Then I shook his hands....and I  
I was a long, long way from home

And everything is wonderful  
When everything's alright so alright  
There we were  
One less star tonight

Na na na na na na na  
Na na na na na na

We thought a better place to go  
Might be the top of purple mountains  
So close to outer space....and ahh  
We were a long, long way from home

We'd bring some records and a game  
Might take a walk or read a book  
But it's not the same....no ahh  
We're still a long long way from home

I saw a starfish on the ground  
Oh, he was still buried in the sand  
Now he's not so all alone  
And he's finally going home  
So I smiled and I shook his hands....and we were singin'

Na na na na na na na  
Na na na na na na

There we were one less star tonight  
There we were one more star tonight
