

# Think About Me

Sister Hazel

I've seen a lot of sad people  
I've seen a lot of strange things  
I've seen a lot of bad people  
Do a lot of bad things

You know I've done some wanderin'  
I've done a little bit of this and that  
You know I've done some travelin'  
You know I always come back--yeah back

And I relied upon you so  
I've decided on you  
And now I wonder

Do you think about me  
What do you think about me  
Do you think about me  
What do you think about me

There  
You've seen me go from there to here  
And where do I go to clear  
My head  
You know it took a little time  
Just to figure it out  
It took some time  
Just to know what it's all about  
Won't surprise me--what you say  
No surprises--any old way, but.

Do you think about me  
[Chorus]
