

# Your Winter

Sister Hazel

The gray ceiling on the earth  
Well its lasted for a while  
Take my thoughts for what they're worth  
I've been acting like a child  
In your opinion, and what is that?  
It's just a different point of view  
Yeah

And what else, and what else can I do?  
I said "I'm sorry, yeah I'm sorry"  
Ohh no no no  
I said "I'm sorry", but what for?  
If I hurt you then I hate myself  
I don't want to hate myself, don't want to hurt you  
Why do you chew your pain?  
If you only knew how much I love you, love you

I won't be your winter  
And I won't be anyone's excuse to cry  
We can be forgiven  
(Oh yeah)  
And I will be here

Ohh yeah

The old picture on the shelf  
Well it's been there for a while  
A frozen image of ourselves  
We were acting like a child  
Innocent and in a trance  
A dance that lasted for a while  
Ohh

You read my eyes just like your diary  
Oh remember, please remember  
Ahh ohh  
Well, I'm not a beggar, but what's more  
If I hurt you, then I hate myself  
I don't wanna hate myself, don't wanna hurt you  
Why do you chew that pain?  
If you only knew how much I love you, no

I won't be your winter  
And I won't be anyone's excuse to cry  
We can be forgiven  
And I will be here

No  
Well I won't be your winter, whao yeah  
And I won't be anyone's excuse to cry  
We can be forgiven, yeah no  
And I will be here

And I won't be your winter  
(Look I want)  
And I won't be anyone's excuse to cry  
We can be forgiven, well I know

And I want to be here
