

When You Don't See Me

The Sisters of Mercy

When you don't see me...

It's not a matter of going to grow
It's not a matter of time or how I feel
I'm throwing off the shadow of a better man now
What you see is what you never had

Get real
Get another

I don't exist when you don't see me
I don't exist when you're not here
What the eye don't see won't break the heart
You can make believe when we're apart
But when you leave I disappear
When you don't see me...

Oh, it's kind of different when you're there
You can lease the peace of mind
You bought a mask, I put it on
You never thought to ask me
If I wear it when you're gone

Get real
Get another

I don't exist when you don't see me
I don't exist when you're not here
What the eye don't see won't break the heart
You can make believe when we're apart
But when you leave I disappear
When you don't see me...

You never learned
You bought me
Everything and less
I turned
You couldn't let me move
I guess, I don't deny, it don't disprove
What you see is what you lost
If I were you I wouldn't try

Get real
Get another

I don't exist when you don't see me
I don't exist when you're not here
What the eye don't see won't break the heart
You can make believe when we're apart
But when you leave I disappear
When you don't see me...
