

# Stammheim

[SITD:]

German autumn  
Difficult times  
Armed resistance  
Numerous crimes

Extreme act of violence  
An attack from the rear  
A shot in the head  
Revolution was here

Radical actions  
Radical change  
Innocent victims  
People are strange

Stammheim calling  
Movement 2nd June  
Solitary confinement  
Death is coming soon  
How violence can develop  
And where it can lead  
Stammheim calling  
Movement 2nd June

Dawn of terror  
Divided nation  
Riots and protests  
Self-induced starvation

A concrete vision  
A common idea  
A wrong decision  
Revolution was here

Der Mensch ist eine Krankheit
