

Animal Instinct

Six Feet Under

Survival

A vicious lust for blood
I'll kill `til I die
Terrifying death
Horrifying hell
Nauseating screams
Screams that go unheard
A vicious lust for blood
I'll kill `til I die
Terrifying death
Horrifying hell
Nauseating screams
Screams that go unheard
Suffocate my soul
I'll take away your life
Commanding me to live
I sentence you to die.

You can't stop me
I'll just kill again
You'll never stop me
I'll kill until I'm dead.
