Caged And Disgraced

Six Feet Under

So many caged - caged and disgraced

Too many inside - need to be out

So many caged - caged and disgraced

For doing nothing but pleasing themselves

Freedom is strength

They want to take it too

I need a place where I can do

What I want to

Sent away - for being myself

Sent away - for being me

I just wanted to live - my own life

I just wanted to live

free

So many caged - caged and disgraced

Too many inside - need to be out

So many caged - caged and disgraced

For doing nothing but pleasing themselves

Freedom is strength

They want to take it too

I need a place where I can do

What I want to

How can you judge how another one lives? It's victimless.
