

# Formaldehyde

Six Feet Under

Fractured identity  
Predatory tendency  
The blood I drain now flows through me

Drained of blood  
Formaldehyde  
Drained of blood

You are dead  
In a coffin  
Dead inside  
And left to rotten

Genital surgery  
Abnormal thoughts in me  
Playing with the decomposed

Drained of blood  
Formaldehyde  
Drained of blood

You are dead  
In a coffin  
One more whore will die  
For my graveyard  
Rotten

Drained of blood

You are dead  
In a coffin  
Dead inside  
And left to rotten

Fractured identity  
Abnormal thoughts in me  
Clitoral surgery  
Raping her body  
Your blood now flows through me  
Open chest cavity  
Once full now empty  
Fractured identity
