

# Have a Drink on Me

Six Feet Under

Whiskey, gin and brandy  
With a glass I'm pretty handy  
I'm trying to walk a straight line  
On sour mash and cheap wine  
So join me for a drink boys  
We're gonna make a big noise

Bridge:  
So don't worry about tomorrow  
Take it today  
Forget about the cheque  
We'll get hell to pay

Chorus:  
Have a drink on me  
Have a drink on me  
Have a drink on me  
Have a drink on me

There's a drink for fighting  
Or tequila white lightning  
My glass is getting shorter  
On whiskey, ice and water  
So come on and have a good time  
And get blinded out of your mind

(Repeat Bridge & Chorus)

(Guitar solo)

(Chorus)

Gonna roll around  
Gonna hit the ground  
Take another swing  
Have another drink  
Gonna drink it dry  
Gonna get me high  
Come on all the boys  
Make a noise

Have a drink on me  
Have a drink on me  
Have a drink on me  
Have a drink on me  
Have a drink on me  
Have a drink on me
