Prepare yourself for the worst it's coming soon I believe in those foretold prophecies of doom They say the end is close, it's coming fast Not every single one of us is gonna last So, stand and fight or kill yourself right now It'll be one less motherfucker to kill Skin shot, burned, stabbed, scorched and torn This pain is real - you can't ignore...

War is coming

Arm yourself with the right to kill at will Shoot to kill it's them or you Time to choose, time to choose or die Blood's pouring from the hole in your side Take the pain - it'll focus and strengthen you Take the pain - or your life's fuckin' through Face the pain - let it become part of you Take the pain
