

Breathe Your Name

Sixpence None The Richer

It's every day
I'm in this place
I feel this way
I feel the same
It's every day
I'm in this place
I feel this way
I feel the same

Is it all inside my head
Is it all inside my head
I'll view the list
And take my pick
I view my faith
And make a choice
'Cause it's nobody else's but mine

But you are in my heart
I can feel your beat
And you move my mind
From behind the wheel
When I lose control
I can only breathe your name
I can only breathe your name

So many days within this race
I need the truth
I need some grace
I need the path
To find my place
I need some truth
I need some grace
The part of you
That's part of me
We'll never die
We'll never leave
And it's nobody else's but mine

You are in my heart
I can feel your beat
And you move my mind
From behind the wheel
When I lose control
I can only breathe your name
I can only breathe your name

You'll view the list
And take your pick
You'll view my faith
And make a choice
'Cause it's nobody else's but yours

And you're in my heart
I can feel your beat
And you move my mind
From behind the wheel
When I lose control

I can only breathe your name

'Cause you're in my heart

I can feel your beat

And you move my mind

From behind the wheel

When I lose control

I can only breathe your name

I can only breathe your name

I can only breathe your name

I can only breathe your name
