

Christmas for Two

Sixpence None The Richer

They can have their trimmed up tree,
Dressing up on Christmas Eve.
There's so many other things
We'd rather do.

Like makin' angels in the snow,
Playin' records soft and low,
Bundle up and watch the fire grow
Me and you.

Though we've time to spare
Without a care.
We don't need nothin' new.
Some mistletoe, a lover's glow
And a table dressed for two.
Yeah, I'd rather have Christmas with you.

Shopping days are almost done.
Shoppin' never was much fun.
Without my one and only one
It's all just blue.

But we've time to spare without a care.
We don't need nothin' new.
Some mistletoe, a lover's glow
And a table dressed for two.
Oh, I'd rather have Christmas with you.

Rudolph, Frosty, Christmas lights,
Jingle Bells and Silent Night;
It's always right in front of you.

Yeah, we've time to spare without a care
We don't need nothin' new.
Some mistletoe, a lover's glow
And a table dressed for two.
Oh, I'd rather have Christmas with you.
Yes, I'd rather have Christmas with you.
Ahh, I'd rather have Christmas with you.
