

Don't Dream It's Over

Sixpence None The Richer

1. There is freedom within
There is freedom without
Try to catch the deluge in a paper cup

There's a battle ahead

many battles are lost
But you'll never reach the end of the road
While you're traveling with me

R: Hey now, hey now
Don't dream it's over
Hey now, hey now
When the world comes in
They come, they come
To build a wall between us
We know they won't win

2. Now I'm towing my car
There's a hole in the roof
My possessions are causing me suspicion but there's no proof
In the paper today
Tales of war and of waste
But you turn right over to the TV page

R: Hey now...

3. Now I'm walking again
To the beat of a drum
And I'm counting the steps to the door of your heart
Only shadows ahead
Barely clearing the roof
Get to know the feeling of liberation and relief

R: Hey now...

Hey now, hey now
Don't dream it's over
Hey now, hey now
When the world comes in
