

## Sooner Than Later

## Sixpence None The Richer

I guess we did what we thought we had to  
But what we did wasn't right  
Prouder than we should've been  
Too many times we walked away

I always knew there'd be questions  
And I know what you tried to do  
You were something special  
There was nothing simple about you

They say what's right isn't wrong  
I think that I'll make a wager  
You carried along until you felt out of danger  
I wrote you this song  
So won't you do me a favor:  
When it's my turn to fall,  
You'll catch me sooner than later

I'm missing those times tonight  
Dark was dark and light was light  
No one knew you better  
Nobody tried harder

They say what's right isn't wrong  
I think that I'll make a wager  
You carried along until you felt out of danger  
I wrote you this song  
So won't you do me a favor:  
When it's my turn to fall,  
You'll catch me sooner than later

I saw you standing by the road yesterday  
I saw your shadow fall across my way

They say what's right isn't wrong  
I think that I'll make a wager  
You carried along until you felt out of danger  
I wrote you this song  
So won't you do me a favor...

I think that I'll make a wager  
You carried along until you felt out of danger  
I wrote you this song  
So won't you do me a favor:  
When it's my turn to fall,  
You'll catch me sooner than later
